

MICROBUS PRESENTS YOU

E-MODELLING

Event Description:

An event to bridge the gap between theoretical and practical knowledge to discover the true engineer in you.

Rounds:

- > Written test
- > Practical Round
- > Buzzer Round

Rules:

- > It is a 2 member team event.
- > The written paper shall consist of practical questions from the coursework.
- > Each round shall be an elimination round.
- > The practical round will be held in electronics labs where the participants have to perform the experiment assigned to them.
- > There will be negative marking in the Buzzer Round.
- > In the Buzzer Round, the team pressing the buzzer first will be given the first chance to answer and it will be decided by the coordinators.

Note:

The rules may be subject to changes as per the discretion of the coordinators and their decisions shall be considered final.
